

On my honor  
 I will do my best  
 To do my duty to  
 God and my country  
 and to obey the  
 Scout Law,  
 To help other people  
 at all times,  
 To keep myself  
 physically fit,  
 mentally awake,  
 and morally straight.

## SEVERN CROSS ROADS FOUNDATION, INC.

*The Severn Cross Roads Foundation (SCRF) is a non-profit corporate organization dedicated to the preservation of the Charles W. Baldwin Hall and the Cross Roads School House. Baldwin Hall is listed on the National Register of Historic Places. The hall was built in 1861 and currently serves the community as a location for public forums, meetings, classes, and private parties and weddings.*

*In an effort to balance the need for raising funds through private rentals with the SCRF trustees' desire to create a community resource center, Baldwin Hall finds itself open to a diverse mix of uses. Given an opportunity to expand its dedication to the community, the SCRF was proud to sponsor Boy Scout Troop 804 in September 2005.*

*Boy Scout Troop 804 from Millersville Maryland is a traditional Scout troop. Our vision is that each Scout will become better citizens, leaders, self confident, and challenged by using the Scout method. The Troop is very active, well organized, and a dynamic group of young men and caring adults.*

*The Troop operates on a monthly theme or skill. The Troop meetings are used to learn new skills and have fun. We have a monthly campout or*

*activity where Scouts experience the outdoors and other life skills by using the patrol method of working together. We strongly encourage the wearing of the Scout uniform and recognize the accomplishments of the Scouts at the quarterly Court of Honor.*

*The Troop is boy led and adult mentored. We draw on the experiences of our Scouts, leaders, friends, and others to maintain an exciting well designed program that challenges each Scout to do his best.*

## BOY SCOUTS OF AMERICA

The Boy Scouts was brought to the United States from England in 1910 and chartered by Congress in 1916 to provide an educational program for boys and young adults by building character, promoting citizenship, and developing personal fitness. The mission of the Boy Scouts is to prepare young people to make ethical and moral choices over their lifetime by instilling in them the values of the Scout Oath and Law.

The National Council of the Boy Scouts of America develops standards that every troop, leader, and Scout must follow. BSA develops programs to assist the local councils, districts, and troops train young people to become dynamic leaders and promote service to their community and service to others.

Boy Scout troops are made up of young men age 11 (or finished the fifth grade) through age 18. The program is designed to teach a variety of life skills while enjoying the fun of the outdoors.
